

QUALITY POLICY

ROSETTI MARINO is an **EPC Contractor** operating worldwide in the Energy and Shipbuilding industries. With a strong global presence, the company stands out thanks to its **commitment and flexibility, expertise, teamwork, accountability and consistence, drive, and open and honest communication.**

We are committed to ensuring quality through:

- Consolidation and improvement of the prominent position we have gained in our industry and identification of new business ventures, products, and geographical areas that can contribute to the economic and technical growth of the local communities involved;
- Identification and fulfilment of the expectations of all stakeholders (customers, shareholders, employees and partners, suppliers and subcontractors, territorial organizations);
- Enhancement, development and responsible use of resources - human, infrastructural and energetic - so that they contribute to the processes effectiveness and integrate in the continuous evolution of the company context;
- Promotion and awareness for a sustainability-oriented culture aimed at combining the economic, social and environmental development, supporting the change;
- Identification, assessment, monitoring and control of Risks and Opportunities of business processes from the commercial stage through to execution;
- Continuous improvement of processes to support the objectives set out and implementation of a suitable system to monitor results achieved;
- Communication, sharing and use of the wealth of experience gained in projects and in the system, so as to benefit from an effective enhancement of new business activities;
- Compliance with express and implied contract obligations, as well as with binding standards, laws and regulations;
- Information, awareness raising and control for the promotion of ethical behaviour by all employees.

Ravenna, 11 October 2018

Oscar Guerra
