

PRESS RELEASE

**ROSETTI MARINO S.p.A.: FIRST CONTRACT IN THE NEW "SUBSEA" BUSINESS SECTOR**

Ravenna, 31.08.2015 – Rosetti Marino S.p.A., a company listed on the AIM Italia – Alternative Investment Market, operating on a global level in the design, construction and supply of platforms and installations for the Oil & Gas industry and in the design and construction of service vessels, following the recent award of the relative tender in competition with other international competitors, **announces the acquisition of an important Contract** with **OneSubsea UK Ltd** (a Joint Venture Company between the American Cameron & Schlumberger) a Company active on a worldwide level in the subsea installation for the Oil&Gas sector.

The announcement is given by the **Chief Executive Officer Mr. Oscar Guerra** and the **Oil & Gas Commercial and Development Director Mr. Stefano Cappelli**, specifying that the Contract is relative to the **EPC (Engineering, Procurement & Construction) of subsea production modules** for the **North Africa Offshore Gas Project** and which will be installed off the **North African Coast**, on behalf of an important international Oil Company.

The award of this **Contract**, whose value is around **33 millions Euros** and whose works will start in the course of 2015 and finish at the beginning of 2017, reconfirm also in the **new "subsea" business sector** – a sector marked as well by a high technological content – Rosetti's ability to acquire important contracts also in those areas which are **collateral** to the well consolidated one of the **oil platforms**. All this thanks not only to a **reconfirmed competitiveness** proved by the award of an international open tender, but also to that **undisputed reliability** which has been recognized to Rosetti from the major international Oil Companies for a long time.
